1. Select the 'Pattern Layer'

## 2. Select Edit Pattern from *Object > Pattern > Edit Pattern*

3. Delete the 'Pattern Goes Here' item and add in your own pattern to repeat. (please note: you need to embed the item as you cannot use 'linked' images within a repeat pattern - see the following resource for help: <u>https://helpx.adobe.com/illustrator/using/importing-artwork-files.html</u>)

4. Set the 'Background colour' layer and change the colour of your wrapping paper background

5. Export as PDF - *File > Save as...* Make sure the file type is specified as PDF and that it is using the document bleed (with no marks added - see diagrams 4 & 5)
